

Meeting 17<sup>th</sup> October 2019 at 8.15pm at the Wellesley Arms

Action Notes

Attendees: Nicola Hayward, Ruth Gaunt, David Thomson

Apologies were received from Jake West

Nicola gave us an update:-

- Jo has now completed her handover and Nicola will update the Dropbox
- Nicola has found and circulated a solution for old maps
- We have all the photos we know about. They need to go into a document
- Nicola has added in the old photos of the village to the drop box account
- We still need to do the piece on sympathetic and unsympathetic development
- Arrangements are in hand to meet with Bluestone Planning, probably Sharon Brentnall.
- There is a [SuttonBengerNDPGroup@gmail.com](mailto:SuttonBengerNDPGroup@gmail.com) address to which we will all get access
- There is a Sutton Benger Big Plan web-site which may also be a useful tool

Bluestone may want a walk around the Parish to familiarise and review themselves with issues. Ruth agreed to host.

We should try and get any preliminary comments worked into a Version 2 of the NDP so that we can discuss it in a better context when we meet with Bluestone.

David has agreed to start minuting the meetings so we can start updating the website
